Update : 21 February 2018 :

Until qualifying starts, Saturday club, Sunday club, Seniors and Ladies can adopt "Aberdeen" rules.

Players in Singles and Doubles Winter Knockout matches may, if both sides agree, play the match under "Aberdeen".

The same may apply for current Gordon Forster matches. Decision on "Aberdeen" will be at the discretion of the team captains.

"Aberdeen" means the ball can be lifted, cleaned and placed within six inches not nearer the hole, from where the ball came to rest anywhere on the course except for bunkers and hazards.

If any ball comes to rest in casual water the ball can be placed at the nearest point of relief, not nearer the hole.
